

50th Anniversary High Point Photo Books available for viewing:

These photo books, put together by Ginny and Marshall Eaton for the 50th Anniversary of High Point are located in the Baltic Office.

If you are interested in viewing any of these great old photos that span the history of High Point, please stop by the Baltic Office to see them. They are located on a bookshelf in the meeting room, and can be viewed there, but not removed from the office area. The beautiful bookshelf was built by Wayne Johnson, a resident here in High Point.

Thank you to Ginny and Marshall for their efforts, they spent many, many hours scanning the photos from various scrapbooks that were in storage around the community!

A big thanks also to Wayne Johnson for building a beautiful and classy looking bookshelf to store our historical books!
