High Point Matters

November

Happy Thanksgiving to Everyone….

The Holidays are fast approaching and soon our weather will begin to cool more. We are ready for Fall after the hot Summer we have had!

The High Point Garden Club is hosting their annual Craft Fair & Plant Sale on Saturday, November 7th from 8a to 2p at the Community Center. Come on out and meet your neighbors and see what fun we will have!

We are having our monthly "Dues Day" coming up on Wednesday, November 4th from 8:30am to 9:30am. Come meet your High Point office staff and enjoy some coffee and donuts. Dues payments will also be accepted at this event.

Florida Statutes & Hernando County Ordinances, as it relates to Golf Carts, requires operators to strictly follow these laws and ordinances when driving within High Point. Take time to read these laws and ordinances so you don't risk High Point losing the privilege of being able to drive golf carts within High Point, day and night.

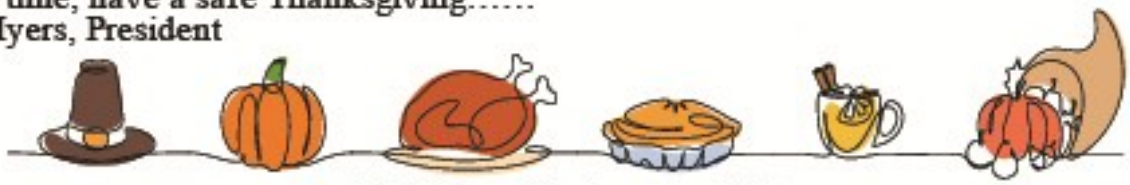

Election packets will be going out in the mail the first week of November, so watch your mail. Deadline to return your ballot will be by 1pm on Thursday, December 10, 2026. If you don't receive your ballot, please contact the High Point office immediately as we may not have your current updated mailing address. All ballots are mailed to the "mailing address" on record, so if you have had a change in your mailing address, contact the office immediately to avoid a delay in receiving your ballot. Thank you for taking the time to cast your ballot.

We are having our annual Thanksgiving Dinner on Thanksgiving Day, November 26, 2026, from 1pm to 3pm. Cost is $10. per person and tickets are available at the weekly dime jingle and at the High Point office. We will have live entertainment for your enjoyment! Deliveries will be made from 12:30pm to 1pm for those that cannot join us. You must sign up in advance for a delivery. Dinner will be served from 1pm to 2:30pm in the Community Center. Take-outs will also be available. Come out and enjoy the community spirit within High Point as we feast together and reflect on what we are thankful for.

Our next Board of Directors meeting will be on Tuesday, November 24, 2026, at 9 a.m. in the Community Center.

In closing, Thank You for helping to make High Point a great place to live and play!

Until next time, have a safe Thanksgiving……

Hello one & all:

Greetings from the bcce courts,

We are hoping that all the very hot weather is over for now. This was the reason no one played during the summer months. We just got back to playing in October. It was great seeing all of the bocce buddies. We would love to see new people on our courts.

We play on Sunday & Tuesday evenings. It is free to play. Come up between 5:30 - 5:45 pm. We start at 6 pm. We play until one team scores 21. This usually takes about an hour. If you have never played no problem - we can teach you as you play. No cost. We just have fun.

Each team has 4 players. We sit down to play, if you wish to stand to roll the ball that is ok too. It is really a fun game to play. So come and join us at the bocce courts - located next to the parking lot & Baltic Street.

HIGH POINT LIONS CLUB NEWS

NOVEMBER 2026

November brings several opportunities to connect, serve, and have fun with the High Point Lions Club. Join us in the Community Center every Friday morning at 8:30am for Breakfast followed by Dime Jingle at 9:30am.

The second Friday, November 13, we will offer free diabetic screenings.

Please continue to bring us your pull tabs and/or the top lid of the can with pull tab if that is easier. These are donated to the Ronald McDonald House to recycle for items needed by the families staying there. There are 3 Ronald McDonald Houses in Orlando and they are looking for volunteers.

Our Neil Diamond Tribute is Friday November 13 – we are almost sold out of tickets. Tickets are being sold at 8:30 am before Dime Jingle on Friday mornings. We could not offer this show for $10.00 without the help of our sponsors, Tru-Line Electric, Bomhoff Law, and Laser Air Conditioning and Heating.

Everyone is invited to visit our monthly meetings on the second Thursday of the month at 7PM in the Community Center. You don't need to be asked, just drop by and see if you would be interested in joining. The Lions Clubs International is the largest service organization in the World, with clubs in 220 countries.

October 8 – 18, 2026 was Vision week for the Lions. We screened approximately 100 children at Eastside Elementary School for eyeglasses, and we donated readers and sunglasses to the needy at People Helping People.

The Holiday season is quickly approaching. We wish a Happy Thanksgiving with safe travels and good food.

Enhanced sight. Restored independence.

The Veteran Vision Support Initiative provides elderly Florida veterans with AI-powered glasses that describe the world out loud, in real time — then stays with them through fitting, training, and the months that follow.

It describes the room

Real-time narration of surroundings, obstacles, signage, and faces — spoken quietly through the frame, not a handheld device.

It reads what he can't

Prescription labels, mail, thermostat settings, a note left on the counter. Read aloud on request, hands free.

It keeps him connected

Hands-free calling and messaging, plus scheduled check-in calls from trained volunteers who know his name.

It supports the whole person

Activity and wellness tracking, music, and audiobooks — because independence is also about having something to look forward to.

How a veteran gets a pair:

1. Someone gets in touch with Stella's Presence
2. Stella's Presence verifies eligibility
3. Stella's Presence fit and train in person
4. Stella's Presence stays in touch

We hope to see you at our next Travel Club meeting. Our normal meeting days are the 2nd & 4th Thursday of each month (except August where we only meet the 2nd Thursday) at 11 a.m. in our Community Center. Hope to see you there!

Hello One & All:

The High Point Quilt Club members worked all summer long on their own projects at home. Some of the members worked on the club quilt at Becky's home. More conversation than quilting but did get a stitch or two on a beautiful blue and white quilt.

The club held their business meeting on October 5, 2026 with 17 members in attendance. Their "Tea" will be held on Saturday, February 6, 2027. Set up will be on Friday afternoon before the event. The cost of the tea will be $10.00 per ticket. Tickets will be on sale soon.

There was a committee appointed to review and update the club by-laws. The club members got to see some pretty quilts during Show & Tell time. Beck showed 5 quilts that she completed during the hot summer. Hope & Judy presented their veterans quilts for November 11th.

The club participated in the High Point Community Yard Sale on October 16th & 17th at Hope's home. There will be 5 veteran quilts for the celebration on November 11th for those who have served our country. We celebrated the October birthdays with tea & cake.

Have a great fall and be thankful for all that we have here at High Point.

~ High Point Quilt Club

High Point Mobile Patrol

Welcome home Snowbirds. Highpoint Mobile Patrol had a genuinely nice and quiet summer. Our community remains crime free thanks to our residences remaining vigilant. As always if you see something say something. Report it directly to the sheriff's office immediately! Do not tell somebody a day or two later that something happened. Report it, that is why we have the deputy sheriffs. Did you know the Hernando County Sheriff reports to us, the residence of Hernando County not to the Hernando Couty Board or the State of Florida. When I attended the Sheriff's Quarterly Crime Watch on September1st, the major topic of discussion was Flock Camera usage in Hernando County on state and county right of ways. Hernando County has removed all cameras before the Governors mandated September 1st deadline. Sherriff spoke about losing this tool, which also can be used for locating lost people and following criminals traveling in and through our county. Our district commander reported on financial crimes, they are on the rise. Criminals are using Artificial Intelligence technology to mask their identity for the purpose of scamming money from seniors. Never purchase gift cards or cryptocurrency as forms of payment. There are also people posing as a Hernando County Sheriff taking money to make tickets and warrants disappear in exchange for money. Sheriff's office will not call you; they will come to you if you have any outstanding business with their office. Next meeting on November 16th at 7:00 pm, residents of High Point are welcome to attend our general membership meeting. Were always looking for new members.

Thank you.

Landscaping Tips – November 2026

By Tom Anderson, Univ. of Florida Master Gardener

"Bedding Plants, Bulbs/Perennials, Vegetables, Poinsettia, Irrigation Systems, Gardening Questions, and High Point Fall Craft Fair and Plant Sale."

"A garden is never so good as it will be next year." – Thomas Cooper

The **Pansy, Viola, Snapdragon, Dianthus, Cape Daisy, Alyssum,** and **Petunias** are cool season plants that you may use to create a display of fall colors in your flower beds according to the University of Florida Extension Service. Viola flowers are smaller in size compared to pansies. The viola typically has four petals pointing upward and one downward, while the pansy has two petals upward and three downward. Violas are more heat and cold tolerant. See: *Annuals:* http://edis.ifas.ufl.edu/topic_annual_landscape_plants

Bulbs and **Perennials – Bulbs** that like to get their start in cool weather include **Amaryllis, Crinum, and Daylily**. It is also time to divide and replant overgrown **Bulbs** and **Perennials** so that they establish before the wintry weather arrives. For additional information go to: *Bulbs for Florida:* http://edis.ifas.ufl.edu/topic_bulbous_flowers and *Seeds and Propagation:* *http://edis.ifas.ufl.edu/topic_garden_propagation*

Vegetables – November is a good month to start planting **Lettuce, Kale, Cabbage, Broccoli, Beets,** and **Carrots**. Go to: http://edis.ifas.ufl.edu/topic_vegetablegardening

Poinsettia – The **poinsettia** (*Euphorbia pulcherrima*) is native to Mexico, where the Aztecs used it in fall celebrations. It was named for Joel Poinsett, the U.S. ambassador to Mexico who introduced the plant to the United States in 1825. Its colorful "flowers" are modified leaves called bracts. Through photoperiodism, the bracts change color after receiving at least 14 hours of darkness each day for six to eight consecutive weeks. The true flowers are the small clusters at the centers of the bracts. **Poinsettias are not poisonous**, although their white, milky sap may cause mild allergic reactions. They are only mildly toxic to dogs and cats. Poinsettias can tolerate full sun on a porch or patio but must be protected from freezing temperatures. Because they do not tolerate soggy soil, cut a drainage hole in any decorative foil wrapping and water only when the soil surface feels dry. For more information, consult *Poinsettias*: http://edis.ifas.ufl.edu/topic_poinsettia

Irrigation Systems during the cooler winter months may not be necessary and it is acceptable to hand water plants while following any local watering regulations. http://edis.ifas.ufl.edu/topic_landscape_irrigation

The Master Gardener Nursery, 19490 Oliver St., Brooksville, is open 9 AM – 12 Wed & Sat (weather permitting) for sales and gardening advice. Oliver St. is East off US 41 just North of the Hernando Co. Fair Grounds.
UF/IFAS Extension Office, Hernando County, 16110 Aviation Loop Dr., is open and Master Gardeners are available for gardening questions 9 – 4 or call 352-754-4433. Webinar classes and activities are available. More info at: http://hernandoextension.com

The **2026 High Point Fall Craft Fair** and **Plant Sale** will be held on Sat., Nov. 7th, **8 AM – 2 PM** in the High Point Community Center. The **Jim Stuck High Point Veterans and Friends** will be selling **Pastries/beverages early**, and **Hotdog, Chips, and a drink combo** at the **Community Center Kitchen**. **Garden Club members please bring your Plant donations to the Outside Garden Club booth by 7:30 AM. Better Boy Tomato Plants will be available to purchase for $10 or (2 for $15)** (while supplies last).

Greetings, High Point residents! Hard to believe it is already November. Where does the time go? Seems like just yesterday it was May. And can you feel it? That cooler, drier air is starting to break through those hazy, hot, humid days. I love these cooler mornings. I can't wait to have some cooler afternoons. Golf is so much better in the cool, dry Fall air.

November is such a meaningful month, chocked full of holidays and special events.

November 3th is Election Day. November 11th is Veterans Day. November 26th is Thanksgiving.

These three days, while separate and individual occurrences, are so wonderfully woven into the fabric, culture, and history of these great United States of America. The selfless veterans who serve, and sometimes fight for our freedoms make all of our freedoms possible. We honor all members of our armed forces who have bravely served this nation. "Thank you" to all veterans and their families who have given so much to defend, protect, and preserve these United States of America.

One of the most fundamental privileges we enjoy as U.S. citizens is the right to vote. We can complain about anything and everything wrong in this country, and in this world. Thank you, Veterans for these rights, too, by the way. But if we don't vote, our voices are just empty cries. Voting is our civic duty. Your vote speaks much more loudly than your voice ever will.

And then there is Thanksgiving. I love the "Holiday Season" which begins with Thanksgiving. Who doesn't love good food, family and friends, falling asleep on the couch? Seriously, this is a time to stop and intentionally think about all of the things for which we are thankful. We all have struggles. We all have issues; physical, personal, spiritual, financial, medical…. With all the negative in our lives, there is always, always something to be thankful for. You get to live in High Point in Brooksville, FL, that alone is something for which to be thankful. Please, take some time to reflect and focus on the positives in your life. Life is precious and short. Give thanks for those we have, and those we have been blessed to have had in our lives. Be thankful. Be blessed. Be a blessing.

Finally, a couple of community housekeeping items.

Don't forget **"*Dues Day*"** is November 4th at 8:30AM in the Community Center. We will have coffee and donuts for anyone who wants to joins us. And if you want to drop off your assessment payments or pay electronically (fees may apply) we will be ready for you. So, if you want to save a trip to the office and pay your dues, or just socialize over coffee and donuts, we will see you on the 4th.

Calling all volunteers!! (Not the Tennessee Volunteers) Your HOA will be hosting a Thanksgiving dinner, and we would love to have your help. Please call (352-596-2397) or come by the office and sign up if you would like to help serve your High Point neighbors and friends. We love to sponsor these types of community activities, and eager helpers are always welcome.

Hope you have a fantastic day!
