

**FOR IMMEDIATE RELEASE – New locks being installed in Community Center**

High Point Community Property Owners, Inc. Board Members encourage the Community to visit the official website ([highpointbrooksville.net](http://highpointbrooksville.net)) for approved Information and updates.

**Brooksville, FL -- June 8, 2025**

Steve Heffron would like to announce new locks for Community Center's storage spaces. Steve stated, "our supplier indicates the new locks were ordered. They should arrive by this coming Wednesday, June 11, and be installed by the end of the week."

Bill Rutledge (our new CAM) will be in contact with all responsible individuals club leaders that have access to a closet in the Community Center. Each club leader will receive their own code that they will be responsible for. It is the responsibility of each individual club to control who has access to their assigned storage space.
