

# HIGH POINT MATTERS

## FEBRUARY 2026

*from your President,  
Greg K. Myers*

**Happy Valentine's to Everyone....**

We had our New/Existing Resident orientation meeting on Tuesday, January 27, 2026, and we had a great turnout. We discussed the happenings within High Point and how to stay informed. We reviewed our Deed Restrictions and Rules and Regulations along with answering questions. Our various club representatives were also in attendance to share what they have to offer for our residents. Thank you to all that helped in making this a great success. See you at our next one!

We are having our monthly "Dues Day" coming up on Wednesday, February 4, 2026, from 8:30am to 9:30am. Come meet your CAM, Bill Rutledge and enjoy some coffee and donuts. Dues payments will also be accepted at this event. Remember, monthly dues are \$46. for improved and \$24. for unimproved properties.

Our next General Meeting will be on Thursday, February 5, 2026, at 1 p.m. in the Community Center.

Our next Board of Directors meeting will be on Tuesday, February 24, 2026, at 9 a.m. in the Community Center.

Our newly designed website at <https://www.highpointbrooksville.net> will contain the current version of our By Laws, CCR's and Rules & Regulations and much more for your access.

In closing, Thank You for helping to make High Point a great place to live and play!

Until next time, enjoy your Valentine's Day celebration.....

## Landscaping Tips - February 2026

By Tom Anderson, University of Florida Master Gardener

### **“Bulbs, Annuals, Azaleas, Vegetables, Roses, Pre-emergence Herbicides, Gardening Help/Classes, and High Point Garden Spot of the Month**

*“To forget how to dig the earth and to tend the soil is to forget ourselves.” – Mahatma Gandhi*

According to the University of Florida Extension Service **Bulbs** you can plant now including Amazon Lily, Crinum, and Agapanthus (African Lily/Lily of the Nile). Provide adequate water to establish. Mulch to protect from the cold. Go to: *Bulbs for Florida* - [http://edis.ifas.ufl.edu/topic\\_bulbous\\_flowers](http://edis.ifas.ufl.edu/topic_bulbous_flowers)

**Annuals/Bedding** plants that do well in cooler months are petunia, pansy, verbena, dianthus, strawflower, and lobelia. See: *“Annuals”* – [http://edis.ifas.ufl.edu?topic\\_annual\\_landscape\\_plants](http://edis.ifas.ufl.edu?topic_annual_landscape_plants)

With **Azaleas** in Bloom, now is the time to select varieties to add to the landscape. Go to: *Azaleas* - [http://ifas.ufl.edu/topic\\_azalea](http://ifas.ufl.edu/topic_azalea)

Start the following warm season **Vegetables** as Transplants: Tomatoes, Beans, Peppers, Cucumbers and Squash. Do not plant in the outdoor garden until there is no danger of freezing temperatures, usually around mid-March. For more information: *“Vegetable Gardening in Florida”* - [http://edis.ifas.ufl.edu/topic\\_vegetable\\_gardening](http://edis.ifas.ufl.edu/topic_vegetable_gardening)

Prune **Roses** this month to reduce and improve the overall form. You should see new blooms in 8-9 wks. See: *Roses* - [http://edis.ifas.ufl.edu/topic\\_rose](http://edis.ifas.ufl.edu/topic_rose)

The most effective way to start your annual control of **Lawn Weeds** is to apply a “pre-emergent” herbicide (not a weed and feed) to your lawn before the weed seeds germinate and get reestablished. In our area this is usually around mid-February after the last frost and, when day temperatures reach 65-70 degrees for 4-5 days. Look for products that contain the active ingredients **oryzalin, benefin, pendimethalin, benefin + oryzalin, DCPA or bensulide**. Provide adequate soil moisture before and after application to activate most “pre-emergent” herbicides. **Follow herbicide label instructions carefully.** (Note: Good pre-emergent herbicides are only available at landscaping stores or online.) More Info at: *Lawn Weeds* – [http://edis.ifas.ufl.edu/topic\\_lawn\\_weeds](http://edis.ifas.ufl.edu/topic_lawn_weeds)

**The Master Gardener Nursery** is open 8:30 AM – 12 Wed & Sat (weather permitting) for sales and assistance. Oliver Street is East off US 41 just North of the Hernando Co. Fair Grounds.

**UF/IFAS Extension Office**, Hernando County, 16110 Aviation Loop Dr., is open and Master Gardeners are available for gardening questions 9 – 4 or call 352-754-4433. Webinar classes and activities are available. More info at: <http://hernandoextension.com>

The **February High Point Garden Club** will meet on Thursday, February 20<sup>th</sup> in the Community Center at 10:30. We will discuss Mulching and the **March 19<sup>th</sup>** field trip to **The Olive Grove, 15016 Rester Dr.**

The High Point **Beauty Spot of the Month** award will be starting again for the months of March through October. If you would like to nominate a property that should be considered by the selection committee, please contact **Wendy Wilkes or Rich Grischow at 852-701-7107.**

# February

**February 1st** Spunky Old Broads Day A day set aside to recognize the accomplishments of “older ladies” and you youngins’ can be preparing!! And remember....

**Women are not invisible after 50!**

**February 2nd** The Day the Music Died This date commemorates the day that **Buddy Holly, Richie Valens & The Big Bopper** died in a 1959 plane crash! It’s an observance rather than a holiday which implies “celebration”! In the song “American Pie” there is reference to “*the day the music died*” referring to this tragedy!

**February 9th** National Pizza Day & Super Bowl Sunday Just a thought, but these days could be combined; it’s Super Bowl 59 in New Orleans, LA ...and (who doesn’t like pizza!?!?) Add your favorite libation (alcoholic or non) , watch the game & have fun!

**February 14th** Valentines Day - has its roots in ancient Rome! Traditions are many—giving of chocolates, cards, jewelry, flowers (often roses) - anything goes!

**Thought for the day—**

**If you love someone, set them free; if they come back it means no one else wanted them either, so set the free again!**

**February 17th** Presidents Day Celebrates all of those who have served in that office; most notably 2 of the most famous— #1, George Washington and #16, Abraham Lincoln. ... Moved to 3rd Monday, of February in 1971 as part of the Uniformed Monday Holiday Act.

**February 23rd** Tootsie Roll Day While somewhat controversial, it is believed they were invented in Brooklyn in 1896 by a man who named them after his daughter, Clara...nickname = **Tootsiel!** 1. First candy to be individually wrapped 2. Frank Sinatra’s favorite candy 3. in 1969 the first astronauts landing on the moon had Tootsie Rolls with them 4. Tootsie Rolls were standard in GI Ration boxes in World War !!.

**February 24th** National Tortilla Chip Day One of the snacks brought to this country by a Texas businessman to become one of America’s favorite snacks . Mix cornmeal, salt & water into a dough, shape into a circle and fry in a heavy skillet. The origin of this day was likely a food manufacturer looking to sell tortilla chips!

**February 27th** National Chili Day Created in San Antonio, TX—one of America’s favorite wintertime meals. While there is a basic recipe—there are now many variations to personalize and make it your own. 1. Eat a bowl of chili 2. Have a chili dog (dump chili on a hot dog!) 3. **Organize a Chili Cook Off!** (Oh Yea!)

**Be My  
Valentine**

“Love is in the air everywhere I look around.” I want to wish everyone a Happy Valentine’s Day! What a perfect time to tell someone that you love them.... Mom, Dad, grandparents, siblings, significant others, extended family, friends, pets, your community manager.... This is also a great time to remember how much love we shared with all of those wonderful family members, loved ones and friends who are no longer with us. May their memories always bring us joy.

February, of course, has lots of other important days.

- 2nd Groundhog Day
- 8th Super Bowl Sunday
- 12th Abraham Lincoln’s Birthday
- 14th Valentine’s Day
- 16th George Washington’s Birthday
- 16th Presidents’ Day
- 18th Ash Wednesday

### **Housekeeping Items**

**Reminder:** We are already starting to plan our Independence Day Parade. This is the 250th Birthday of the United States of America, and we want the biggest and best parade High Point and Brooksville have ever seen. If you want to volunteer, please come by or call the office M-F 9AM-3PM (closed 11:45-12:45 for lunch). 352-596-2397. And please, start thinking about joining in the parade. While we want as many patriotically decorated golf carts as possible, pretty much any mode of transportation will do...car, motorcycle, bike, scooter... When we get a little closer to July, we will have sign-up sheets for all those who want to participate. Let’s make this year’s parade HUGE!

**Dues Day:** Join us from 8:30-9:30AM Wednesday, February 4th in the Community Center to enjoy some coffee and donuts and pay your HOA dues. If you are planning on paying at the office, why not drop into the Community Center instead to pay and have coffee and donuts?

**Solicitors:** If you have an uninvited visitor come to your home urging you to buy something or sign up for something, call the Hernando County Sheriff’s Office immediately at 352-754-6830. And do not invite or allow strangers into your home. If you feel threatened or in danger, if an unwanted/uninvited visitor is argumentative, aggressive, persistent, or refuses to leave when asked, call 911 immediately. You are welcome to call the office AFTER you call the Sheriff, but please do not call the office simply to tell us there is a solicitor. If you’re like me, you just don’t answer the door for anyone you don’t know and did not invite to your home unless they are from a government agency, law enforcement or emergency services. Whatever you choose to do at your home, please, please, always be safe and be aware of your surroundings.

I hope you have a LOVE-ly February!

Bill
