Vol 19, Issue 4 April 2024

Happy Easter and Safe travels to our Residents Leaving for the Season

It's been a year already and I have to say I have enjoyed my time here and I look forward to many more.

Now down to business; whether you're leaving or not please look to see if your home and/or your driveway needs to be pressure washed. We all have an obligation to maintain our homes year-round. Have you put away any objects that can become missiles if a Hurricane approaches this summer? Do you have a someone who is looking after your home while you're gone? Are mowing and weeding being addressed. Weeds grow more rapidly in summer months.

Some residents choose to bring their complaints to social media and if anyone has a concern the first thing you should do is to call the office. Remember, at closing everyone agrees to the restrictions and governing documents and all exterior modifications whether you think they are small or not needs a Pink form. The modification needs to be approved by the committee first. If you don't know if something can be done – Ask. We are here to help.

Also, on April 24-25 we will have Mid Florida Community represented in the community center. There will be fruit and veggie vouchers available to take to a local farm if you qualify. These vouchers are strictly income based. We'll try to get more information before hand. So you know what to take with you.

Looking for PT employment? Fill out an application. If you've already filled out one, let me know you want to be considered for a position.

One additional note regarding Notary Services. If you need a Notary, please come to the HOA office Wednesday and Thursday 9:00am – 11:00am or call for an appointment

High Point Golf Club News for April

March came in like a lion with the first weekend busy with the Club Championship. For the men, the winner for A-flight low gross was Frank Strate & low net was Brian Emmons. B-flight low gross winner was Pete Pipp & low net winner was Murray Lowe. C-flight low gross winner was Dick Mann and low net was a tie between Ron Ihnen & Bill Pike. For the ladies D & E flights, Kay Roush was low gross winner with Barb Trumbo winning low net for the D-flight. E-flight low gross winner was Kathy Honoshofsky with low net winner Sue McKenzie. Congratulations to all winners and great job to all participants!!!

March 9th was a busy day for the golf club. During the day the Big Break took place. The winners were: Men: Over the Wall - 1st place Don Jansky, 2nd place tie Dave Robson & Mark Whitney. Women: Over the Wall - 1st place Sue Gallagher, 2nd place Diane Sanborn. Men: Closest to the Line - 1st place Paul Sheahan, 2nd place Dave Robson. Women: Closest to the Line - 1st place Mary Rademacher, 2nd place Sharon O'Rourke. Men: Closest to the Pin - 1st place Dave Lund, 2nd place Mark Whitney. Women: Closest to the Pin - 1st place Mary Rademacher, 2nd place Judy Corso. Men: Longest Putt - 1st place Don Jansky, 2nd place Leif Konrad. Women: Longest Putt - 1st place Tina Konrad, 2nd place Sue Gallagher. Then, that evening, the golf club sponsored a tribute show "Thanks for the Memories" in the community center in memory of Guy Peeters. Isabella Berth and her cast of performers put on a tremendous show of song & dance that was thoroughly enjoyed by all!!!

St. Patrick's Day on the 17th was complete with a fun party in the Clubhouse including cornbeef and cabbage and a few green beverages! There were more than a few leprechans enjoying Irish music, food and friends that evening!!

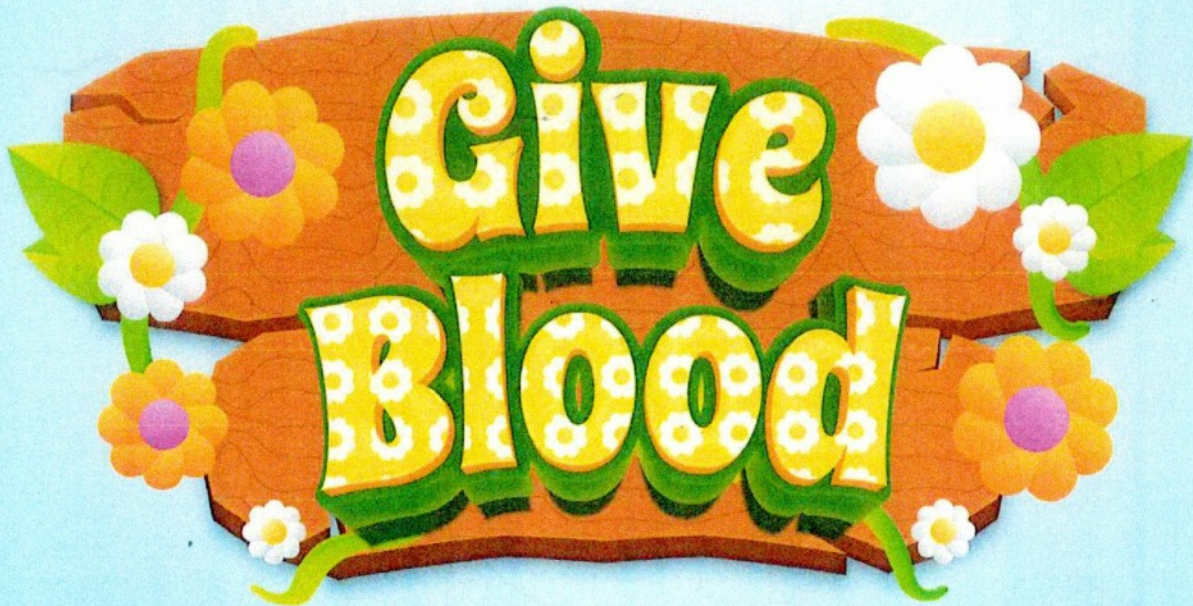

March continued to see the Queen of Hearts jackpot grow!!!! As of this publication, the total prize is over \$16,000 and getting bigger each week!! The drawing night was moved back to Friday nights so make sure you either buy your tickets in the Clubhouse lobby during the week or no later than 6:30 p.m. on Friday night before the 7:00 p.m. drawing. You must be a club member or golf club social member to participate. Also, you must be present on Friday night for the drawing to win the entire jackpot. Those who win, but are not present at the time of the drawing, will only receive half of the total jackpot. We can't wait to see everyone there to try your luck!!

Friday night dinners are currently suspended, but Taco Tuesdays are still underway and going strong! If you haven't been to a Taco Tuesday yet, make sure you put it on your calendars because the tacos are simply delicious!!! Tuesday nights are also Game Night in the Clubhouse and starting around 5:00 p.m. there are people playing different card games at various tables. Also, the first Tuesday in April we will be playing Music Bingo from 6:30-8:30. Come enjoy some tacos, games & camaraderie with friends & neighbors!!

Friday nights while awaiting the Queen drawing, join in on playing Show Me the Money. It's a simple bingo-like game that can be played for \$1 per card, per round. The Clubhouse has a big crowd for this game as well so come join in on the fun!

April is going to be filled with lots of activities in the Clubhouse, including activities around The Masters, so if you haven't become a social member yet, please plan on becoming one. And if you aren't a golf club member yet, it's still not too late!!!! Where can I find more information? You can find us on the Internet: www.hpgolf.org. By visiting one of our Facebook pages: search for High Point Golf Club or High Point Golf Club Café..... or you can send an email to hpgcemail@gmail.com or call 352-596-0833 and leave a message.

Landscaping Tips

By Tom Anderson, Univ. of Florida
Master Gardener

“Annuals, Poinsettias, Good Insects, Vegetables, Lawn mowing, and Earth Day”

“Gardening is the purest of human pleasures.” –
Francis Bacon

Annuals - According to the University of Florida Service Extension, April is a great time to start planting **annuals**. In our Central Florida area, annuals usually only last one season (not one year). To be successful, annuals must be planted at the right time of the year, but unfortunately they are sometimes sold out of season and are therefore short-lived in the garden. Annuals are divided into two types: warm season and cool season. Warm-season (tender) annuals are damaged by frosts/freezes and should be planted after the last frost date. The most important thing when selecting annuals is to determine how much sunlight the plants will receive. See the chart in the following: *Annuals* - http://edis.ifas.ufl.edu/topic_annual_landscape_plants

Potted **Poinsettias** can be kept in pots or transplanted outside as the temperatures are warming. Trim the fading bracts and leave 4-6 inches of the stem on each branch. Start the transplant in a partially shaded area and once it has acclimated to the outdoors, it can be permanently planted in an area of full sun. **Poinsettias** do well in our area of Florida but must be trimmed back in the spring and late summer to prevent them from becoming too leggy. See: *Poinsettias* – http://edis.ifas.ufl.edu/topic_poinsettias

Beneficial Insects like Lady Beetles (Bugs) should be identified and conserved before applying insecticides. They help eliminate the bad insects. See *Beneficial Insects*: http://edis.ifas.ufl.edu/topic_beneficial_insects

Vegetables that should continue to be planted are beans, sweet corn, and squash. Mulch well to help prevent weeds and to retain soil moisture. See: http://edis.ifas.ufl.edu/topic_vegetable_gardening

Don't forget to get your lawnmower ready. Make sure your blade is sharp, your mower deck is clean and level. Change/check your oil and filters. Also remember: **Don't Mow Low, Don't cut more than 1/3 of the Turf Blade, and Don't Bag**, grass clippings can be left on the lawn, **Grass Clippings Do Not Contribute to Thatch**. Recommended cutting heights are:

St. Augustine/Floratam & Bahia 3-4 inches, Empire Zoysia grass 2-3 inches.

“**Earth Day**” was started on April 22, 1970 by Sen. Gaylord Nelson, WI, to raise awareness of environmental issues. In April 1971 Pres. Nixon celebrated the 1st anniversary of “**Earth Day**” with a proclamation establishing “Earth Week”.

The 3rd Annual Hernando County Florida-Friendly “Earth Day” Celebration will be held **on April 20th, 9 AM til Noon** at the UF/IFAS Extension Master Gardener Nursery, 19490 Oliver St., Brooksville. There will be many Booths including a Kids Booth with mosaics and face painting. Presentations will be made on Recycling and Water Conservation, Native Plants, and Pollinators. The times of the workshops will be 9 – 10:15 & 11 AM. Florida-Friendly and Native plants will be available for purchase (Check or Cash only).

The Master Gardener Nursery is open 8:30 – 12, Wed & Sat (weather permitting) for sales (cash or check only) & assistance/questions. Oliver Street is East off US 41 just North of the Hernando County Fair Grounds.

UF/IFAS Extension Office, Hernando Cty, 16110 Aviation Loop Dr. (off Spring Hill Dr.) is open and Master Gardeners are available for gardening questions 9 – 4 or call 352-754-4433. More info at: <http://hernandoextension.com>

Jim Stuck High Point Veterans and Friends Association

The Jim Stuck High Point Veterans and Friends Association will hold its April meeting on April 4th at 10:30 am in the Community Center.

Our guest speakers this month will be Tony Graham and Bob Werts, representatives of the Hernando County Veterans Services. They will be here to answer your questions regarding what veteran benefits you may be entitled to and how to apply for benefits.

We will also be revealing our new line of association wearing apparel and other exciting items. There will be an order form from which you can order the items you want. You will need to pay for your items at the time you fill out the order form.

Following the meeting there will be fellowship and refreshments. Please call a fellow vet that has not joined our group and invite them to come join us and meet our vets. You may also join our group if you are not a veteran but enjoy being around veterans and showing your support and appreciation for their service.

See you Thursday, the 4th!! Any questions, please call Ray Thomas at 352.397-6473.

Mosaic Class

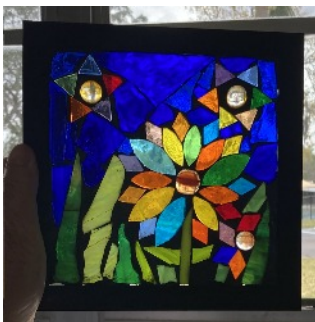

Saturday, April 6, 1 pm to 4 pm
High Point Community Center

Come join us, learn the basics, have fun and walk away with a one-of-kind art piece.
Message Barb the artist at Mosaicwithedge@me.com.

Each person will create a unique mosaic, using a photo or printout of their favorite subject.
Or pick from one of the many printout samples I have. This is a 3 hour class,
in which at the end you walk away with a finished mosaic.

\$40 - Included in the price are all materials, 6 x 6 frame, tools,
and instruction to help you to make a one-of-a-kind piece of artwork.

Samples of 1st time student's work:

EDITOR'S NOTE:

While producing the newsletter this month, we experienced a crash that resulted in having to recreate several articles. We hope we didn't miss anything that had been submitted for the April edition of High Point Matters. If you don't see your article, please accept our apologies.

High Point Mobile Patrol

With Easter behind us, we will start to see our snowbirds heading back north. We wish them safe travels and much enjoyment of the long days of sunlight.

In my travels around the community, I see many golf carts without registration numbers and the the green sticker on the windshield that shows proof of insurance. In our HOA By Laws, Article XI, Section 5a (page 10) addresses the requirements for all golf carts in High Point. In the Appendix section (page 24) it further explains the details concerning golf cart regulations and the potential cost of fines in Restriction #10 (page 30). Please do yourselves a favor and save money by insuring and registering your golf cart.

You may have noticed that Hernando County has recently installed new signs around High Point Blvd from Little Ave. to Diplomacy. Speed through the curves is set at 20 mph. Also, there are several new signs indicating "Wheel Chair" use in the area and No Parking in the median.

The turnout for the Suicide Recognition and Prevention seminar by Bay Care Behavioral Center was small, but everyone who attended appreciated the important information that was provided.

HIGH POINT TRAVEL CLUB By Trey Jordan

Hello to all you High Pointers. We hope we are leaving our winter behind and our spring/summer is at our door steps!

We have a couple of new trips that have been requested, so here they are. On April 27th, we are going to see a performance of the Lippizans located in Myaka City. After the show we will be going to Fred's Market Restaurant. They serve some of the finest southern dishes you will find anywhere. We have included the show and the luncheon in the price. The total price is \$82.00. We have another requested trip in May. We will be going to the Florida Aquarium located in Tampa along with the Wild Dolphin Cruise! Lunch will be on your own in the Channel Side District where there are multiple dining venues. The cost of this trip is \$68.00. Remember, our prices include the bus and the driver's gratuity.

We have one multi-day trip planned to Savannah, GA. We are leaving on October 8th for a 4 day, 3 night trip. We return on the 11th. The deposit is \$250.00 per person and the total cost is \$1178.00 per person based on double occupancy. Single occupancy is \$1609.00. Flyers are available at our meetings.

We meet the 2nd and 4th Thursday of the month in our Community Center. The meetings start at 11:00 am. Joan, Rob and myself look forward to seeing you there.

HIGH POINT CHORUS

Hoorah!! Chorus members are ready to present our hard work to the community.

Spring Sing Concert
7 pm, Sunday, April 7th in the Community Center

Our free program features a great variety of music, both familiar and less well-known. Mark you calendars today so you won't miss this free event. Bring your friends and neighbors!

We hope you will enjoy this early spring concert before you make plans for a busy summer.

Garden Club April News

April 1, 2024 all those who purchased plants for the Easter Memorial will be able to pick them up starting at 9 AM at the memorial site near the information booth.

On April 2nd a member of the Garden Club will attend the Social Club meeting to give a presentation about the workings of the Garden Club in hopes of recruiting new members.

The Garden Club will be having it's April Luncheon on April 19, 2024 at the Community Center for all interested members. The Club will provide sandwiches and the membership is asked to bring a dish to pass. There will be no meeting that day, lunch will be at 11:00 AM.

For those of us that stick around in the summer we will continue to have meetings the third Thursday of every month at 10:30. The board meeting precedes the general meeting at 10 AM at the Community Center. Any Questions, Comments, Concerns, Contact Jeff Burton, Pres. 215-519-4363, or Karen Wendler, Vice Press. 520-208-0942.

Thank you to everyone that purchased a plant that built the Easter Memorial in front of the Information Booth. For a while it was too windy to place them on the risers but after the rain stopped they were beautiful. Thank you to Gina Labbe and Lil Beaulieu for their help with the memorial. Also a big Thank You to Sue Timney and her husband for organizing the shed by the Bocce Court.

MAH JONGG

If you are familiar with the card game gin rummy, you have a head start understanding Mah Jongg. There are differences, of course, but it is the same general idea. Instead of cards, in Mah Jongg, you mix and pick tiles. You arrange tiles in combinations for a hand and take turns to pick and discard tiles to make a hand.

Mah Jongg requires four players, while gin rummy requires two. Gin, like Chinese Mah Jongg, allows the player to make up runs and combinations for a hand, that's not the case in American Mah Jongg.

We play every Tuesday at 11:45 in the community center, we will be happy to teach you this game. No special equipment is needed.

HIGH POINT MATTERS

From the President's Desk . . .

Happy Easter! Actually, it's past by the time you read this, but I hope everyone had a great day.

I would like to thank all of those who worked on the 50th Anniversary celebration on March 16th. Great job! Thank you, Lynda Anderson and all our helpers for the lunch and to Ginny and Marshall Eaton for all the work scanning and compiling pictures and documents for display. What a nice day!

As most have seen, after 50 years we are still having new homes moving into our great community. We welcome all of those new people with open arms.

The Blvd now has 20 mph signs posted from Little Tee to Diplomacy, due to curves so be mindful of this change and drive with care. This is patrolled by the Sheriff's Dept. And tickets can be given. Also, please remember that all golf carts must be registered in the office and can ONLY be on our roads from sunrise to sunset, regardless of whether you have lights or not. As of October 2023, Florida's golf cart laws require drivers under 18 to have a learner's permit, and drivers 18 and older to have valid government-issued identification to drive golf carts on public roads.

To all of our snowbirds getting close to the time when you will be going north, we'll miss all of you and wish everyone a safe trip. We'll see you in the fall. Meanwhile, those of us who remain will keep the home fires (and A/C) burning.

- Charlie Craig, President

Reminder to residents using the RV compound:

If you unlock either of the entrance gates please remember to lock it when you leave.

As a courtesy to fellow RV park users, please look around the park as you get ready to leave to make sure no one else has come in after you opened the gate.

The reason for this reminder is because we have found the gate(s) open on many occasions and this makes a difficult to maintain security in the RV park. Thank you for your support.

If you have any questions, please call
Ray Thomas 3523976473.
